Note to the Precept Budget

No. 1: Clerk's salary The Clerk is paid for 208 hours per annum, pay rate based on SP point 12 on the NALC salary scales. From 1st April 2025 the rate was increased from £14.36 per hour (£2,986.88 per annum) to £14.82 per hour - £3,082.56 per annum. The Clerk does not claim the new pay rate until 01.04.26

No. 2 – website issue. EHB PC currently has a website hosted by WebOrchard of Shrewsbury at an annual hosting fee of £259 per annum. They offer nothing in the way of support. The website is administered by Mr Clive Martyn at a cost of approx. £80 p.a. Hugo Fox are offering a website at a cost of £9.99 per month plus VAT, (£120 per annum) site to include all up to date features to comply the new website accessibility GDPR Assertion 10 requirements. They are offering a service of £199 plus VAT to build the website. If the parish council opts for Hugo Fox, we can cancel the WebOrchard hosting fee. It was agreed at the meeting on 17th November 2025 that the parish council will change from WebOrchard to Hugo Fox as its website host.

IT support issues. IT support is provided by Mr Andy Holmes of Walford and has been since 2015. There have been a number of issues with IT malfunctions in the last year, seemingly brought about by up-dating to Windows 11, by complying with the requirement that all parish councils must, for their emails use a Domain name ending on gov.uk. and problems have also arisen from the transferring of back-up of files to the Cloud. The Domain name cost £30 plus £40 to instal. Anti-virus protection costs approximately £40 p.a. IT support in this financial is estimated at a cost £190. The Clerk suggests a budget of £250 is required in the 2026/2027 Budget to fund IT support.

A precept budget to cover the parish council's 2026/2027 administrative and running costs was agreed in the sum of £6,620
This is an increase of £238.00
