MINUTES

of the Parish Council meeting held on Monday 16th June 2025
7.30pm at Tickerton Village Hall

069/25 - Present

Cllr. G Watts - Chairman
Cllr. C Pugh
Cllr. R Davis
Cllr. M Pratt
Cllr. M Joseph
Cllr. S Pratt

In Attendance

The Clerk, Corvedale Divisional Cllr. Colin Stanford and two members of the public.

Resignation The Chairman advised that since the May meeting Cllr. Tony Madley has resigned as a councillor. The Chairman thanked Tony Madeley for his many years of loyal and dedicated service to the parish council. His knowledge of the parish and his careful consideration of all matters coming before the council will be missed. We all thank him for his long service.

The parish council now has a vacancy for a councillor which will be advertised with a view to co-opting a councillor.

070/25- Declarations of Interest relating to this meeting.

Members are requested to declare any Disclosable Pecuniary or Personal Interests they may have in matters to be considered at this meeting in accordance with the Localism Act 2011 s32 and The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012.

No declarations were made.

071/25 – Reports

Cllr. Colin Stanford, the new Corvedale Divisional Councillor for Shropshire Council, introduced himself. He resides in Middlehope. He has been on a lot of courses to get himself familiarized with local authority government and procedures: he has been appointed to the Health Overview and Scrutiny

Committee as he has a medical background. He will get to as many of our meetings as he can and aims to support and help his parish councils as much as he can. The Clerk asked if he could arrange for SC to send parish councils a list of all the highways officers, with their contact details and which parts of the highways specifically they dealt with. FixMyStreet don't do bridges, culverts and other things. SALC had given her details of an officer who could assist with a bridge query, but that officer had responded he did not do bridges but had failed to provide information as whom she should contact. This is all hugely frustrating and time wasting. Cllr. Stanford will raise the request. He has discovered SC have three main priorities concerning highways: potholes, the north Shrewsbury relief road and better communications with communities and parish councils, but anything Highways can do is determined by the funding available and the predominant duty on SC is to care for those who are unable to care for themselves. Discussion followed concerning the repairs to potholes and why some are filled and others not, and why the repairs seem to last no time. Kiev are contracted for one more year.

072/25 Public question time

Mr J Sansom of Pikeside, Bull Lane, Hope Bowdler and his partner addressed the councillors on the matter of their planning application 25/01140/FUL by which they had sought planning permission for the erection of a detached outbuilding to comprise a home gym, home office and garage/workshop. Mr Sansom was puzzled as to why the council had so strongly opposed the application. The parish council had considered the application at its April 2025 meeting and all seven councillors present had voted against the application as in their view it constituted an over-development of the site, especially as the proposed development was significantly larger than the existing house. A search of the planning portal prior to this June meeting revealed that SC had not yet made a decision on the application, but had required Mr Sansom to obtain an Arboricultural Report, which he has now done. Also on the portal were letters of support for the application from neighbours, which had not been there prior to the April meeting. Mr Sansom explained the size and scope of the application and assured councillors it is not a way of developing a second house on the site. Councillors accepted the explanation, but due to the parish council's Standing Orders, which govern our proceedings, it is not open to the council to reverse the objection within six months of it being made. In any event, it may well be that Shropshire Council will ignore the parish council's objections and grant permission. The Chairman advised that should it be necessary for Mr Sansom to submit a second application, he could come to the parish council meeting and discuss it fully with the council. He thanked the applicants for their courtesy in coming to explain their application.

073/25– Approval of Minutes

073/25/1 – approval of the Minutes of the Annual Parish Meeting held on 12th May 2025

074/25 – Matters arising from the two sets of Minutes of 12th May 2025

No matters were raised.

075/25 – Planning application

25/01634/FUL – application for change of use from an annexe to a holiday let at Woodgate Farm, Hope Bowdler.

The original planning permission for the annexe, granted in March 2006, contained a restrictive condition limiting the use of the annexe to be ancillary to the dwelling and not at any time to be occupied as a separate dwelling or for commercial or business purposes. The applicants now want to use the annexe as a holiday let, hence this application.

Councillors considered the plans. Their only concern was that the sight line onto the B4371 from the proposed holiday let is not good: they were prepared to agree to the application but would ask that the hedge be kept cut back to provide the best visibility.

Cllr. Joseph **proposed** that the parish council should support this application, with the subject of the sight line mentioned.

Proposal **seconded** by Cllr. S Pratt

Vote: Unanimous in support of the proposal
